GENERAL CONDITIONS OF USE

PREAMBLE

data.aide-developpement.gouv.fr is the website for the release of open public data (open data) on official development assistance. It depends on the French Ministry of Economy, Finance and Industrial and Digital Sovereignty (MEFSIN) and the French Ministry of Europe and Foreign Affairs (MEAE), which are using a service in SaaS mode, developed and maintained by the OpenDataSoft company.

This service enables producers of official development assistance to publish their data openly. It allows users of the data to explore, visualize and reuse them.

These Terms of Use are addressed to the users of the data in order to inform them of their rights and obligations in the context of the use of the various functionalities offered via the portal.

EDITION

The data.aide-developpement.gouv.fr website is the portal for the dissemination of open public data on official development assistance. It is jointly managed by the General Directorate of the Treasury (DGT-MEFSIN) and the General Directorate for Globalization, Culture, Education and International Development (DGM-MEAE).

DESIGN AND WEB HOSTING

OpenDataSoft - https://www.opendatasoft.com/

TERMS OF USE

The use of the website is free of charge. However, users are not allowed to create an individual account and have a personalized access.

COPYRIGHT

The reproduction of this website's pages is possible under the condition that the integrity of the reproduced documents is respected (no modification or alteration of any kind) and that the source is mentioned.

All data and applications have their own license. The user commits to respect the data license made available on the data.aide-developpement.gouv.fr website. The user undertakes to mention the sources of the data used for reuse and enhancement. The logo is the property of the ministries. Therefore, any reproduction or modification (total or partial) of these graphic elements without prior written authorization is prohibited. For any information, you can contact us via the contact form.

LINKS TO THE DATA.AIDE-DEVELOPPEMENT.GOUV.FR WEBSITE

data.aide-developpement.gouv.fr authorizes any Internet site or any support to set up an hypertext link in direction of its contents except those diffusing polemical, pornographic, xenophobic contents, which are in contradiction with the decency or with the good manners. However, the entirety of the linked page must be respected, and no overlapping in another site must be made. Similarly, the link must clearly indicate the nature of the contents, as well as the exact address of the page. Any use of links to the data.aide-developpement.gouv.fr website for commercial and advertising purposes is forbidden.

RESPONSIBILITIES

Despite our efforts to control the availability of the service and the relevance and accuracy of the contents of the portal, the Ministries (MEFSIN/MEAE) do not guarantee that the site will be free of anomalies, errors, bugs, Internet network difficulties, malfunctions attributable to third-party software, nor that these can be corrected, nor that the site will function without interruption or breakdowns, nor that it is compatible with any particular equipment or configuration. If, despite our efforts, you should find any problem, we would be grateful if you would inform us by means of the contact form provided for this purpose.

The Ministries (MEFSIN/MEAE) shall not be liable for any type of foreseeable or unforeseeable damage arising from the use or total or partial impossibility of using the website. Furthermore, the user is responsible for ensuring that the use of the platform complies with the legal and regulatory provisions. The Ministries (MEFSIN/MEAE) do not give any guarantee to the user as to the conformity of the use of the platform that he/she makes or plans to make, with the national or international legal and regulatory provisions.

GENERAL PROVISIONS

The Ministries (MEFSIN/MEAE) reserve the right to update and modify the present GTC at any time, bearing in mind that the GTC in force are those published on the portal at the time of access to the portal and navigation by the user.
